

# FARM MACHINERY CAN CAUSE INJURIES TO KIDS!

66% of all fatal injuries are machine-related

Source: Fatal agricultural injuries to youth from 1990-2003 (274 cases) – Canadian Agricultural Injury Surveillance Program (CAISP)

## What is "wheely" wrong with this picture of kids on a utility vehicle?

To fill in the blanks, start at the top and follow the shaded pattern clockwise around the wheel (do the left letters first and the right second)

DRI \_\_\_\_\_  
KID \_\_\_\_\_

Answers: Driver is not wearing a seatbelt!! Kids are riding in the back!
